CAUTION . . . . . .

Pay no money in advance to Internet Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as a spectacle, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of the City Directory printed thereon. We call no personal until the work is delivered, and our canvasser always has a written authority for either advertising or subscriptions.
